111A Beatty Avenue Brighton, BN1 9EP

Located in Coldean Village, a popular residential area on the outskirts of town, with delightful panoramic views at the front of the surrounding area. A modern end-of-terrace house which was built circa 2013 with high levels of insulation, making this an energy-efficient property with an EPC rating of C(77). The accommodation consists of an open-plan kitchen/dining/living area plus a separate lounge/bedroom and shower room to the ground floor. Upstairs there are three well-proportioned bedrooms and a further shower room. The property would make an ideal family home but is also suitable for investor landlords seeking an HMO investment opportunity, having previously been let as four-bedroom student accommodation. Close to local shops and school and within close proximity to both Brighton and Sussex Universities, with frequent buses nearby running into the city centre. Stanmer Park is also nearby, as is easy access to the A27 and A23. Currently vacant with no onward chain.
