Set in the heart of Mid Clevedon, this exceptional coastal townhouse offers an enviable lifestyle defined by light, space and breathtaking views across the Bristol Channel. Built around ten years ago, the property combines contemporary design with a relaxed seaside feel, perfectly positioned to enjoy uninterrupted vistas stretching towards the horizon, the iconic Grade I listed pier and some of the most spectacular sunsets the coastline has to offer. Inside, the home has been thoughtfully designed to make the most of its setting. A stylish kitchen diner opens onto a balcony, creating the perfect space for morning coffee with a sea breeze or relaxed entertaining. The impressive sitting room is a true focal point, featuring high vaulted ceilings that enhance the sense of space and light, along with a second balcony that frames those ever changing coastal views. Across the property are four generous double bedrooms, including a superb principal suite with en suite, complemented by two further well appointed bathrooms, offering flexibility for families or guests. The lower level leads out to a terrace, adding a third outdoor space and providing a sheltered spot for al fresco dining or unwinding at the end of the day. With allocated parking for two cars and the added benefit of being offered with no onward chain, this is a home that is as practical as it is beautiful. Mid Clevedon itself is one of the town's most desirable areas, known for its charming Victorian character, leafy

streets and strong sense of community. Just a short stroll away you'll find Hill Road with its independent shops, welcoming cafés and coastal walks that quickly become part of daily life. Whether it's a morning walk along the seafront, coffee on the hill, or simply watching the tide roll in from your balcony, living here offers a rare blend of tranquillity and convenience, all within easy reach of Bristol and beyond.
