Low Spring Road, Keighley

A three-bedroom detached home situated in the popular village of Long Lee. Long Lee is a well-regarded residential area offering a range of local amenities including a primary school, chemist, convenience store, and post office, with regular bus routes into Keighley town centre.

Upon entering the ground floor, you are welcomed by an entrance porch with access to the WC, leading into a spacious hallway with useful understairs storage and access to the main living accommodation. The living room is a generous-sized space, with a bay window to the front allowing plenty of natural light, and framing fantastic views across Aire Valley. An open fire with stone surround and mantel provides a focal point, while double doors open into the dining room, which offers ample space for a family dining table. Sliding doors lead into the conservatory, an ideal additional reception space with built-in storage and access to the rear garden.

The kitchen is another good-sized room, currently fitted with a range of wall and base units, with space and plumbing for a washing machine. There is also a useful storage room, rear door providing access to the garden, and internal access to the integral garage. The property would benefit from some modernisation.

To the first floor are three double bedrooms, two of which feature built-in wardrobes. The landing also benefits from an additional storage cupboard. The house bathroom comprises a three-piece suite.

Externally, the property enjoys a gated driveway to the front with parking space for two cars, a front garden, and an integral garage. The garden extends around the side of the property to the rear, providing good sized outdoor space with plenty of potential.
