Set behind electric gates and approached via a large walled driveway, the property immediately impresses with its attractive Cromwell stone façade, contemporary design and sense of privacy. Internally, the home has been thoughtfully designed around modern family life and entertaining, with high ceilings, extensive glazing and premium finishes throughout.

The heart of the home is the spectacular open-plan kitchen, living and dining space, beautifully appointed with a wide range of bespoke fitted units, Neff integrated appliances, a downdraft induction hob, Silestone worktops, breakfast bar and two wine fridges. This superb space is further enhanced by a built-in Sonos sound system, making it ideal for both everyday living and hosting.

A separate formal living room offers a more intimate retreat, featuring bespoke cabinetry, a BOSE sound system and full-width bi-folding doors that open directly onto the rear garden.

The ground floor also benefits from a spacious reception hallway, guest W.C., utility room, and access

to the integral double garage with remote-controlled electric door. Comfort and security are prioritised with wet underfloor heating, CCTV and a monitored alarm system.

To the first floor, the impressive principal suite features a walk-in wardrobe and luxurious fully tiled en-suite bathroom complete with a built-in TV. Bedrooms two and three share a stylish Jack and Jill en-suite and both benefit from walk-in wardrobes, with one currently utilised as a fully equipped home gym.

The top floor provides two further generous double bedrooms, each with their own en-suite facilities, offering ideal accommodation for older children, guests or multi-generational living.

Externally, the rear garden has been designed for low-maintenance enjoyment, featuring an artificial lawn, substantial tiled entertaining terrace, BBQ area and hot tub — perfect for summer gatherings and family use.
