Geneva Road, Newhaven, BN9 9DP

GUIDE PRICE £450,000 - £500,000

Tucked away on a peaceful private road, this light-filled three double bedroom detached home enjoys wonderful views across Newhaven Harbour and offers a rare combination of privacy, space and convenience.

Having been cherished by the same family for over 20 years, the property has a warm, welcoming feel and is flooded with natural light throughout. Its elevated position creates an especially attractive outlook, with views across the harbour bringing a real sense of openness to the home.

The accommodation is generous and versatile, with a separate living room, dining room and kitchen providing distinct spaces for relaxing, entertaining and everyday family life. One of the three double bedrooms is positioned on the ground floor, alongside a WC, making it ideal for guests, older children, home working or anyone seeking more flexible living arrangements.

Upstairs are two further double bedrooms, including the principal bedroom with its own en-suite, together with the main family bathroom.

Despite its wonderfully tucked-away position, the house remains within easy reach of Newhaven Harbour, the town centre, shops and local amenities, giving the best of both worlds: a quiet setting without feeling disconnected.

Detached homes in such a private position are rarely available, and with three double bedrooms, harbour views, an abundance of natural light and no onward chain, this is a home with plenty to set it apart.
