16 Leonard Drive, Stoke-On-Trent ST6 8RZ

Whittaker & Biggs would like to welcome you to this extended semi-detached family home. Boasting four generously sized double bedrooms, this property is ideal for families seeking comfort and convenience. The impressive principal bedroom features a private en-suite bathroom, providing a serene retreat for relaxation.

The heart of the home is undoubtedly the stunning open-plan kitchen, living, and dining area, which creates a warm and inviting atmosphere for family gatherings and entertaining guests. This contemporary space is designed to cater to the needs of modern living, ensuring that every moment spent here is enjoyable.

In addition to the open-plan area, the property includes a separate sitting room, perfect for quiet evenings or as a playroom for children. The utility room adds practicality to daily chores, while the integral garage and private driveway offer ample parking and storage solutions.

AML REGULATIONS

We are required by law to conduct anti-money laundering checks on all those buying a property. Whilst we retain responsibility for ensuring checks and any ongoing monitoring are carried out correctly, the initial checks are carried out on our behalf by Movebutler. You will receive a link via email from Movebutler once you have had an offer accepted on a property you wish to buy. The cost of these checks is £30 (incl. VAT) per buyer, which covers the cost of obtaining relevant data and any manual checks and monitoring which might be required. This fee will need to be paid by you in advance, ahead of us issuing a memorandum of sale, directly to Movebutler, and is non-refundable.

Whilst every attempt has been made to ensure the accuracy of the floorplan contained here, measurements of doors, windows, rooms and any other items are approximate and no responsibility is taken for any error, omission or mis-statement. This plan is for illustrative purposes only and should be used as such by any prospective purchaser. The services, systems and appliances shown have not been tested and no guarantee as to their operability or efficiency can be given.
