This exceptional home forms part of the exclusive Oak Farm Barn — an impressive, energy-efficient development set within a beautifully scenic setting.

It presents a rare opportunity to acquire a thoughtfully designed, contemporary property in a highly sought-after semi-rural location between Danbury and Maldon, where modern living harmonises effortlessly with classic countryside appeal.

Extending to approximately 1,345 sq ft (125 sq m), excluding the studio, the home has been carefully crafted to offer both stylish interiors and practical family living.

At the heart of the ground floor lies a stunning open-plan living, dining and kitchen space, perfectly suited to both everyday life and entertaining. The high-specification kitchen features premium finishes and is complemented by bi-fold doors that open onto the rear garden, flooding the space with natural light. The ground floor also includes a well-appointed bedroom with fitted wardrobes and en-suite shower room, alongside a separate utility room and cloakroom.

Upstairs, the first floor offers a spacious principal bedroom with bespoke wardrobes, served by a contemporary family bathroom. A striking mezzanine level overlooks the main living area, providing a versatile space ideal as a snug, additional lounge, home office, or potential third bedroom.

Further enhancing the property is a detached garden studio (approximately 174 sq ft), offering excellent flexibility as a home office, gym, studio or games room.

Many residents also take advantage of the Park & Ride service at Sandon. Just a mile away, Hoe Mill Lock offers picturesque canal-side walks and access to beautiful countryside.

This particular house at present has a master bedroom to the first floor and another bedroom with an en-suite on the ground floor. Upstairs there is also a large open plan style room which with relative ease could be converted to a bedroom and in our opinion lends itself to this.
