1 Swinfen Broun Road, Lichfield WS13 7AP £500,000

Swinfen Broun Road is one of Lichfield's most sought after locales, with properties on this road rarely coming to market. Offering 60s & 70s built family homes on the former grounds of Beacon Place, situated at the edge of Beacon Park, it is a most delightful, picturesque and easy stroll in to the Cathedral City Centre. The secluded position of this property disguises its highly coveted central location, with all of Lichfield's wide range of amenities on your doorstep. The location, however, is not the only thing going for this attractive home and the immaculately presented accommodation really must be viewed to be fully appreciated.

Comprising: spacious porch, entrance hallway, guest cloakroom, living & dining room, further sitting room or study, kitchen and utility area on the ground floor whilst the first floor boasts an attractive landing, three bedrooms and a modern shower room. The property has beautifully presented landscaped fore and rear gardens; a large integral garage with electric roller door; and a private blocked paved driveway.

This delightful home is offered for sale with no onward chain.
