PROPERTY DESCRIPTION

This immaculately presented four-storey townhouse offers generous and versatile accommodation throughout, complemented by a driveway providing off-road parking for multiple vehicles, two balconies, and a beautifully landscaped westerly-aspect rear garden complete with a storage shed.

Situated on Ferry Road, in a quiet and desirable part of the city, the property is moments from the seafront and within a short stroll of Southsea Marina. Excellent bus links provide easy access into the city and surrounding areas, making this a superbly convenient yet peaceful location. The internal accommodation is well arranged and flexible. The ground floor provides two spacious reception rooms, one of which could comfortably be used as a fourth bedroom, alongside a recently fitted, modern shower room with space and plumbing for a washing machine. The upper floors accommodate three good-sized bedrooms, including a particularly spacious principal bedroom with direct access onto a balcony. There is also a bright and welcoming lounge with doors opening onto a second balcony, a useful snug or home office area, a separate W.C., and a modern fitted kitchen and bathroom. Offered with no forward chain, this impressive home must be viewed to be fully appreciated. An early inspection is highly recommended to avoid disappointment.
