# One Bedroom Bungalow | Corner Plot | Loft Room | Village Living with a Twist

**Tucked away in a peaceful cul-de-sac in the ever-desirable village of Roxwell, this stylish one-bedroom bungalow is anything but ordinary. Sitting proudly on one of the largest corner plots in the close, it offers modern finishes, character features and exciting potential to grow — all wrapped up in a charming village setting.**

Step inside and you're welcomed by a wonderfully open-plan lounge through kitchen — the kind of space that makes everyday living feel effortlessly sociable. Whether you're hosting friends, enjoying a quiet night in, or cooking up something special, the layout flows beautifully and is bathed in natural light.

And the kitchen? It's got personality. A cast iron Aga oven (complete with external flue) takes centre stage — perfect for slow Sunday roasts and cosy winter evenings — while an additional Neff oven keeps things practical for busy modern life. Finished with a sleek ceramic sink and contemporary styling, it's a space that blends character and convenience in all the right ways.

The bedroom is a generous double and offers something a little special — its own door leading directly out to the garden. Morning coffee in the sunshine? Don't mind if you do.

The bathroom has been finished to an exceptional modern standard, complete with high-quality German bath and shower fittings and a heated towel rail that adds a daily touch of luxury. Think boutique-hotel vibes, but it's home.

And then there's the loft room — accessed via a proper staircase (no ladders here). Fully carpeted, complete with radiator and flooded with light from a huge Velux window, it's a brilliant bonus space. Home office? Creative studio? Movie snug? Guest retreat? You choose.

Outside, the corner plot really sets this home apart. One of the larger gardens among the neighbouring bungalows, it offers fantastic outdoor space and genuine potential for side and rear extension (STPP). Space to entertain, garden, expand or simply enjoy — the possibilities are exciting.

Heating is provided via an oil tank system, keeping things efficient and practical.

Mill Close offers the calm of village life while remaining within easy reach of Chelmsford and its transport links — the perfect blend of countryside charm and connectivity.
