"Every time I arrive home I still smile because I've used its size and wider-than-usual layout to put together a wonderful combination of areas that enable me to live a wonderful life every day, week, and month of the year. I've had memorable nights hosting friends & family in the fantastic open plan kitchen dining area, spent many cosy winter evenings enjoying log fires in the living room and spilt the same room onto the patio area during warmer months to soak up many stunning sunsets."
