Hathaway

Hathaway is a family residence extending to circa 7639 sq ft, offering a blend of generous living space and versatile ancillary accommodation. Complementing the principal house is a self-contained two bedroom annexe, an ideal space for multi-generational living or guest accommodation, plus two studios.

The property occupies a plot of approximately one acre, approached via a gated entrance and an impressive sweeping driveway leading to a carriage driveway, with an elegant water fountain.

Entry into the house is via a large reception hall. At the far end of the hall is an open-plan kitchen/family room with bi-folding doors to the garden and access to a generous utility room. In addition, there is a living room and a drawing room with doors to the rear garden and side courtyard. The drawing room features a home cinema system with an automated screen and projector together with Lutron controlled lighting. To the left hand side of the house is a second hall, referred to as an inner hall. From here there is access through to a studio, formally a swimming pool, with doors to the rear garden and access through to the gymnasium, double garage, wine cellar and a staircase up to a large studio.

From the main reception hall a staircase leads to the first floor accommodation. The principal bedroom takes centre stage with a Juliette balcony with views over the garden, a dressing room and a spacious ensuite bathroom. Bedrooms two and three are both doubles with ensuite facilities.

The two storey annexe is attached to the house with its own front door and could be linked to the main house should someone wish. It is currently self-contained with a living room, a kitchen/breakfast room and two first floor bedrooms each with ensuite facilities. The annexe is ideal if you require a nanny, if you have grown up family members or older relatives that require their own space.
