CHARLES FAYE

Charles Faye Estate Agents has been successfully selling properties for many years in Calne and the surrounding villages.

We are delighted to be the only estate in the Calne area to be awarded exclusive membership of The Guild of Professional Estate Agents, providing us access to a network of other like-minded estate agents who are all committed to improving and enhancing the service and public perception of estate agencies across the UK.

Membership is contingent upon on-going good reputation and customer service and is reviewed annually to ensure we meet the strict criteria as detailed in The Guild's Code of Conduct.

169b Oxford Road, Calne

An individually built three bedroom detached bungalow conveniently located close to the towns amenities. While it retains its vintage allure, it's in need of some cosmetic updating, offering a perfect canvas for personalisation and boasting a sizable garden to the rear, providing ample outdoor space for relaxation and recreation. Suiting both families, or couples the property also includes an entrance hall with original tiled flooring and ornate architrave, a living room with stove leading through to the dining room. Both the kitchen and conservatory overlook the delightful rear garden which is filled with an abundance of trees, shrubs and flowers, garden sheds and a greenhouse. There are three good size bedrooms, two good doubles, a family bathroom and en-suite. To the front of the property there is a block paved driveway providing off street parking. Notably, the house is equipped with solar panels, contributing to sustainable living by supplying electricity and hot water. This feature enhances the property's efficiency and eco-friendly profile, making it an appealing and modern home for discerning buyers.

EXTERNALLY

DRIVEWAY PARKING

There is block paved driveway parking to the front of the property and gated side access to the rear.

REAR GARDEN

A wonderful addition to the property this delightful garden includes a generous patio area ideal for outside dining and entertaining, the remainder is mainly laid to lawn with mature planting to include fruit bearing trees, flower and shrub beds, three timber sheds, a greenhouse, outside tap, gated side access to front. An ideal garden for cultivation, recreation or just a private retreat,

SOLAR PANELS

Notably, the house is equipped with flat solar photovoltaic (PV) panels and solar thermal collectors, contributing to sustainable living by supplying electricity and hot water. This feature enhances the property's efficiency and eco-friendly profile, making it an appealing and modern home for discerning buyers. They are owned, and they generate income from selling electricity back to the grid (FIT payments) - these payments are transferable to the new owner.
