Location

Chadlington is a highly regarded and attractive Cotswold village situated in Area of Outstanding Natural Beauty (AONB) in the Evenlode Valley. The village benefits from a well-regarded primary school and children's playground, village shop CQF (Chadlington Quality Foods) and the very friendly Café de la Poste, (also a newsagent, and wine store), Slatters (a long established butcher), a public house (The Tite Inn) selling local beers produced by Chadlington Brewery, and a range of local clubs and activities. Chadlington is well positioned for access to Chipping Norton (approximately 3 miles), and Burford (9 miles) while the larger centres of Oxford (around 18 miles) and Witney (approximately 10 miles) provide a wider range of shopping, dining and leisure facilities. The village is also conveniently located for transport links, with mainline rail services available from nearby Charlbury station (around 3 miles away), offering direct connections to London Paddington, and good road access to the A44 for routes across Oxfordshire and beyond. London is less than 2 hours drive from Chadlington. The popular Diddy Squat Farm Shop is also within easy reach, along with Soho Farmhouse and Daylesford Organic.

The Property

17 Rawlinson Close offers spacious lateral living and occupies a desirable position on the edge of a quiet cul-de-sac, within a stone's throw of the village's wide range of amenities. The front door opens into a welcoming entrance hall, providing access to the cloakroom and kitchen/dining room. The kitchen is fitted with a range of wall and base units, with plumbing for a dishwasher and washing machine, and an integrated hob and oven with grill. From the sitting room, a corridor with useful airing cupboard leads through to the family bathroom and two double bedrooms. Both bedrooms benefit from fitted wardrobes, while the principal bedroom enjoys the additional benefit of French doors opening onto the rear garden's paved terrace. There is also a large loft space, currently providing excellent additional storage and offering potential for conversion, subject to the necessary planning permissions and consents.
