## The Heart of the Home

The ground floor has been reimagined to create a spectacular open-plan kitchen, dining, and family zone that serves as the home's focal point. Bathed in natural light via oversized skylights and sleek bi-folding doors, this space is designed for both high-end entertaining and comfortable family life. The kitchen is a masterclass in modern design, featuring:

- Premium integrated appliances including a five-ring induction hob.

A separate, cozy living room offers a more intimate retreat, while a stylish ground-floor WC adds to the practical layout. Private Sanctuaries

The first floor continues the theme of refined modernism. The primary suite is a true standout, featuring a contemporary en-suite wet room accessed via a space-saving sliding glass door. Two further well-proportioned bedrooms are served by a luxurious family bathroom, complete with a designer freestanding bathtub and high-quality vanity units.

#### The Annex: Boundless Potential

Unique to this home is the substantial self-contained annex. Featuring its own private entrance and dedicated garden space, it comprises an open-plan living/kitchen area and a large double bedroom with a dressing room and en-suite. This is an ideal solution for multi-generational living, a high-end home office, or potential rental income.

#### Exterior & Location

The property's curb appeal is enhanced by a secure, gated driveway providing ample off-road parking.
