SITUATION & DESCRIPTION

Glenville is situated in an accessible rural location and enjoys fine views across the Teme Valley. The property is just a short walk away from the popular Peacock Inn, and only 1 mile from the market town of Tenbury Wells which offers a good range of shops and services. Historic Ludlow is also just a short drive away, and the cities of Worcester, Hereford and Birmingham are all within a commutable distance. Glenville is within the catchment areas for Burford C of E Primary School and Lacon Childe (Secondary) School.

Glenville is a well-appointed detached bungalow constructed circa 1960 of timber framed and brick faced elevations under a tiled roof, which has been significantly extended and improved by the present owners to form a very spacious family home with a high quality finish set in 0.8 acre (tbv) of gardens and woodland incorporating the former railway embankment, and with an integral double garage to the lower ground floor and ample driveway parking space for five cars. The property has UPVC framed double glazing, mains water and electricity, LPG fired central heating, and private drainage.

ACCOMMODATION

A part glazed door opens into the entrance hall with a wood strip floor and adjacent study/store. The kitchen/breakfast room has an oak effect floor, cream fitted units incorporating a sink/drain, an integral dishwasher, Leisure Cookmaster electric range cooker with an extractor hood over, housing for the Intergas boiler, space for a fridge/freezer, French doors opening onto the patio, and a further set of French doors opening into the spacious dining/family room which has an oak floor. The sitting room has a decorative coal effect fire in a tiled and painted surround (not in use), sliding patio doors opening onto the front terrace, and French doors opening onto a rear path. The inner hall has a store cupboard, and leads to the master bedroom with full width fitted wardrobes, two further double bedrooms each with fitted wardrobes, and to the fully tiled family bathroom which has a bath with a thermostatic dual head shower over, and a vanity unit with a hand basin and wc. The utility room has cream fitted units incorporating a stainless steel sink/drain, with plumbing for a washing machine, space for a tumble dryer and fridge/freezer, and a part glazed door to outside.
