Offers Over £380,000

An extremely attractive traditional stone built four-bedroom semi-detached house pleasantly yet centrally positioned in the heart of the picturesque Borders town of Peebles.

DESCRIPTION:

Dating back to the late 1800's, "Rowanbrae" formerly a family-run bed and breakfast, retains many of its original period features, while offering the new owner an exciting opportunity to design and create an interior to their own taste and specification. There is an impressive 1,942 square feet of accommodation arranged over three levels, including two versatile lower ground floor rooms that offer a variety of potential uses. Boasting generous living space, a private and secluded rear garden, and a central location just a few minutes' walk from the well-regarded High Street, which offers a superb range of amenities, this property is sure to prove popular, and early viewing is highly recommended.

With a welcoming approach via the private front garden, the accommodation opens into an entrance vestibule, which in turn leads through to an inviting central hallway, featuring an impressive stairwell rising to the upper floor. The sitting room is of a generous size and features triple timber-panelled windows to the front, flooding the space with natural light. It also boasts soaring ceilings with original ornate cornicing and a centrally positioned gas fire with a brick surround. Across the hallway, the dining room also enjoys a front-facing outlook and, once again, features soaring ceilings with ornate cornicing, along with recessed display shelving. This space provides the ideal setting for both family gatherings and entertaining friends. The breakfasting kitchen is fitted with a good range of wall and base units, complemented by contrasting worktops and a tiled splashback. Appliances include a freestanding Rangemaster cooker, a dishwasher, and an integrated under-counter fridge and freezer. An original timber fireplace surround provides additional fitted storage, while a built-in cupboard offers further useful space (currently housing the boiler, if applicable). A window enjoys pleasant views to the rear. Across the hallway, and adjacent to the sitting room, Bedroom Four is also positioned to the rear and offers a well-proportioned double room, which could equally be utilised as a home office or adapted to suit a variety of uses as required. On the first floor, a spacious hallway landing provides access to three comfortable double bedrooms, two of which are located to the front and benefit from private en-suite facilities, with a further double bedroom positioned to the rear. Also on this level is a large family bathroom, fitted with a wash hand basin and enclosed bath, while adjacent is a separate WCA second stairwell from the main ground floor hallway leads down to the lower ground level. This floor offers two versatile rooms, both with rear-facing windows overlooking the private garden, along with a substantial walk-in storage area. An external door also provides direct access out to the private rear garden.

OUTSIDE:

Externally, the property enjoys private garden grounds to both the front and rear. The front garden is predominantly laid with decorative chips and complemented by mature shrubs and established greenery. A shared pathway to the side of the property leads round to the private and fully enclosed rear garden, a truly peaceful haven featuring an attractive array of mature planting, well-stocked flower beds, and leafy greenery. A paved patio area provides the perfect setting for al fresco dining and relaxation during the warmer summer months.
