## Stunning rural location

If life in the Yorkshire Dales beckons then you're possibly looking for a peaceful location surrounded by glorious open countryside and spectacular views - West Hill Top offers both!

Raydale can be found on the south side of Wensleydale and is home to the shortest river in England, the river Bain Valley, at just 2.5 miles in length. The river leaves the second-largest natural lake in North Yorkshire, Semerwater, in a north-east direction past the hamlet of **Countersett**, one of three hamlets in the dale (along with Marsett and Stalling Busk) with Countersett being the largest of the three settlements.

**Bainbridge** (2.4 miles) has a village green, local inn, the Rose and Crown, a small village shop with post office, church and a selection of tea shops. There is also a primary school.

Located at the head of Wensleydale, nearby **Hawes** (3.9 miles) is a quaint and picturesque market town and a popular destination for tourists. The town offers a range of facilities including a primary school and is home to the Wensleydale Creamery, which is now a major tourist attraction and the home of Wallace and Grommit's beloved nibble! The Pennine Way (a 268 mile walking route from Edale in Derbyshire to Kirk Yetholm in the Scottish Borders. It crosses some of the finest upland landscapes in England, from the Peak District, through the Yorkshire Dales, across the North Pennines) passes through Hawes.

To the east, **Leyburn** (14.3 miles) in Lower Wensleydale is a picturesque market town with local shops and cafes, traditional pubs centred around three distinct cobbled squares. The Wensleydale School provides secondary education.

To the west, and dwarfed by The Howgills, the historic market and 'book' town of **Sedbergh** (19.5 miles) offers a good range of local facilities.

### Travelling further afield:

**By car** - for travelling west - J37 (24.2 miles) and J38 (29.1 miles) of the M6. A1(M) for travelling east is 24.6 miles distant with the A65 at Ingleton (20.6 miles).

**By air** - Leeds Bradford Airport (52.7 miles) and Newcastle Airport 77.8 miles.

**By train** - there is a station at Garsdale (10 miles) and Ribbleshead (14.4 miles) on the scenic Settle to Carlisle Line with services to Leeds (passengers in the area enjoy possibly one of the most scenic daily commutes). There is a station on the West Coast mainline at Oxenholme (29.3 miles) and for the East Coast main line, there is a station at Northallerton (33.7 miles).

**To find the property** - from Sedbergh head in an easterly direction along the A684. After passing through Appersett and Hawes, turn right onto New Lane and head south through Buttersett and continue onto High Lane, which becomes Crag Side Road.
