Description

This substantial, four/five bedroom detached family home offers bright and spacious accommodation arranged over two floors and is set on a stunning and secluded plot approaching two acres. Further benefits include a 600 ft tree-lined driveway and various outbuildings, including a superb log cabin.

The open-plan kitchen/dining room is a real feature of the home with solid wood floors, a bespoke kitchen with granite worktop surfaces and a separate utility/washroom. The dining room (22'3 x 13'9) is central to the home and provides a great place to entertain. The treble-aspect sitting room, with feature log burner, has been tastefully finished and enjoys far-reaching views across the gardens. At the front of the property is a study with built-in furniture and a further reception room/bedroom currently arranged as a family room. To the rear, is a well-presented bedroom (14'3 x 14'2) with built-in wardrobes and a large ensuite bathroom.

The oak-galleried staircase in the entrance hall leads to the first-floor accommodation, which comprises three spacious bedrooms, enjoying varying aspects. All three bedrooms benefit from ensuite bathrooms and ample built-in wardrobe space.

Externally the secluded grounds offer a high degree of privacy and are a real feature of the home, providing ample areas to entertain and relax. The gardens are mainly laid to lawn with tree lined borders and areas of mature woodland.

There is a swimming pool (which requires updating), with a large patio area and attractive pool house. The log cabin, with shower room, is adaptable to suit individual needs and lends itself to a home office or annexe. There is also a large sweeping driveway and two double garages.
