EXCLUSIVE NEW HOMES LAUNCH – 7TH NOVEMBER | Be among the first to discover our new Townhouse and Apartment Collection , discuss available homes and register your interest.

We are thrilled to present this beautiful first floor, two bedroom apartment in the heart of Central Southsea, complete with secure, gated parking. Thoughtfully restored, the property was once part of the historic St John's College, seamlessly blending period charm with modern luxury. Located within the exclusive St John's Square development, St Johns House Villa occupies a quiet area, nestled alongside beautifully landscaped gardens, and comprises just four newly converted apartments, each finished to an exceptional standard.

Accessed via a well-kept communal hallway, this two-bedroom apartment offers excellent space throughout. The entrance opens into a hallway with ample storage, leading to two well-proportioned bedrooms, a stylish fitted bathroom with a rainfall shower over the bath, and a bright open-plan lounge, kitchen, and dining area. The kitchen is fully fitted with integrated white goods and finished with Caesarstone worktops, creating an ideal setting for modern living and entertaining.
