This is a rare opportunity to secure a substantial 3 bedroom, family home with unrivalled outdoor space and huge upside potential, in one of Harold Hill's best locations. Priced fairly to reflect its original condition but exceptional plot size, early viewing is highly recommended to appreciate everything this property has to offer.

A rare opportunity to acquire a spacious three-bedroom semi-detached home situated on one of Harold Hill's most desirable roads – Straight Road. Offering huge potential to extend, improve and add significant value, this property is perfectly suited to first-time buyers, growing families or investors looking to create their ideal home.

Presented in original condition throughout, the home offers you the chance to decorate, update and modernise exactly to your own taste – avoiding the premium price tag of a fully renovated property, while sitting in a prime location with unrivalled outdoor space.

The layout provides generous living accommodation, off-road parking for multiple vehicles, and the true standout feature: an exceptional 145-foot west-facing rear garden – one of the largest plots in the area. Bathed in sunlight from midday through to the evening, this garden offers incredible space for entertaining, children or pets to play, and significant scope to extend the property to the rear (subject to planning permission) – adding even more living space and substantial value.
