THE PROPERTY

Highfield is a well laid out single level house with excellent formal and informal reception rooms, The hallway is central to the house and leads seamlessly to the rear kitchen / sitting room with a wood burner and patio doors to the garden beyond, thus giving great day to day living. The large kitchen area has plenty of room for a dining table and a full surround of units. A separate utility is off to one side from the kitchen and gives a back door to the garage and stable area whilst also with a guest WC.

The formal sitting room lies to the front of the house with central feature fireplace with wood burner and large picture window to the southern aspect.

The 4 bedrooms are divided up to either end of the house with the larger bedroom having an en suite shower room and Bedroom 2 also with an en suite. The two others are both doubles with use of the family bathroom with separate bath and shower.

OUTSIDE

The front driveway is immediately off the village lane and provides multiple vehicle parking and garage, all landscaped with lawn and a small pond with fountain. Through either a pedestrian gate or double gates and also via the house is a large level garden of nigh on an acre itself. Within the garden is a stable block of 3 stables, tack room and hay storage with a new metal roof last year and a good footing of a yard, all within sight of the house. A spare store shed is separate next door. Behind the stables are more double gates to a parking and turning circle with hard standing. Towards the end of the expansive garden is a summer house with power and overlooks the 40m x 20m sized arena.

This area affords stunning Blackmore Vale views, as far as Alfred's Tower in the far distance but immediate views over a newly created neighbours' lake. Access to the land is through the arena or via a separate access from a side lane with more parking and turning for larger vehicles and a machine store shed.

LAND

The land is below the property with a hard stone track which runs along and through to the series of post and rail fields, a modern steel framed storage barn of some 18.16m x 7.65m and at the bottom of the shallow hill is a large pond and wildlife area.

SITUATION

Kingston is one of several hamlets that make up the parish of Hazelbury Bryan, which is surrounded by breath-taking countryside that stretches towards Bulbarrow and the escarpment to the east. There are numerous paths and bridleways crisscrossing the countryside giving ample opportunity for walking and riding.

Hazelbury Bryan has a shop/post office, school, public house and village hall. Sturminster Newton, which is the nearest market town, offers a good range of shops, schools and other amenities. The larger towns of Dorchester, Sherborne and Yeovil are accessible as are the coastal resorts of Poole and Weymouth.
