Country Sports – the area is well served and renowned for local country sports including shooting, hunting and fishing.

GENERAL DESCRIPTION

This is a most attractive and productive mixed farm which is beautifully situated on the edge of Scawton village in this stunning area.

THE FARMHOUSE

(refer to floor layout plan)

The farmhouse offers nicely proportioned centrally heated accommodation which has been well maintained throughout.

The ground floor comprises three Sitting / Living Rooms together with a snug. There is a spacious Breakfast Dining Kitchen with an Aga with an adjacent Utility and Conservatory.

The first floor comprises three Double Bedrooms and a Bathroom with Two further Attic Bedrooms on the second floor.

Externally, it is complemented by a pleasant front garden, a patio area to the rear, a vegetable garden to the side and a rear stone building comprising three useful stores. There is also a single garage.

THE FARM BUILDINGS

[The Detached Stone Granary Building](#)

This is situated immediately adjacent to the farmhouse. It has potential for conversion; having had planning permission in 2003 for change of use

to form a residential annexe on the ground floor and a holiday unit to the first floor.

[The Traditional Stone Farm Buildings](#)

There is also a very useful and tidy range of traditional stone farm buildings which are nicely situated on the south east side of the steading. These buildings are made up of a range of loose boxes, stables, pig houses and former fold yards. They also have potential for conversion, subject to obtaining the necessary planning permission.

[The More Modern Range of Farm Buildings](#)

There is a good range of more modern general purpose farm buildings including two first class livestock sheds. A schedule of the buildings is found below.

THE LAND

The land lies well in a compact ring fence. It is accessible through the farm yard at the northern end and also has frontage to the Scawton to Thirsk road.

The land is currently down to grass. The bulk of the land comprises a medium loam and is ploughable with the exception of the Ghyll and the area of permanent grass paddocks situated adjacent to the farm steading. Most of the land is currently let on a temporary Grazing Licence.

GENERAL REMARKS & STIPULATIONS

Viewing

Strictly by appointment with Robin Jessop Ltd – 01677 425950

Tenure

Freehold and Vacant Possession will be given upon completion of the sale. The land is registered with the Land Registry.

Farm Plan

The farm plan is for identification purposes only. The field numbers and areas given may vary from old ordnance survey sheets, previous field data sheets and rural Land Registry maps and the Title Deed plan.

Boundaries

The Vendor will only sell such interest (if any) as she has in the boundary fences, hedges, ditches and other boundaries separating this property from other properties not belonging to her. Where the boundaries are marked with inward facing T marks, these will be the responsibility of the Purchaser(s).

Easements & Rights of Way

The property is sold subject to and with the benefit of all existing wayleaves, easements and rights of way, public and private

whether mentioned specifically or not within these sales particulars.

It is sold subject to:-

- There are two public footpaths which are shown marked on the farm plan.
- It is understood there is a wayleave agreement in respect of a Northern Powergrid overhead line which crosses the farm.

Services

Mains single phase electricity,
Mains Water – the approximate position of the main water meters are shown marked W on the farm plan.
The farmhouse has the benefit of oil fired central heating.
Foul Drainage – the farmhouse is served by an existing septic tank, the approximate position of which is marked S on the plan. This does not comply with current legislation.

We have therefore had the septic tank surveyed by RA Dalton, Waste Water Specialists for a new treatment plant which they have estimated will cost in the region of £12,000 - £15,000 plus VAT, depending on location of new vessel and site specific requirements. A copy of their report dated 19th August 2026 can be emailed to prospective purchasers upon request.

Sporting, Timber & Mineral Rights

The sporting, timber and mineral rights are included in the sale as far as they are owned.

Designation & Schemes

The farm is not entered into any environmental or stewardship schemes.

Field No.7356 to the rear of the farm buildings forms part of the site of a former medieval rural settlement. Details can be emailed.

Asbestos

With regard to any asbestos on the holding, a detailed asbestos survey has not been carried out. Upon completion of the sale, it will be the responsibility of the Purchaser(s) to comply with the Control of the Asbestos Act at Work Regulations 2012.

Offers

All offers must be in writing. We will not report any verbal offer unless it is confirmed in writing. Seriously interested parties will be invited to produce proof of funds.

Method of Sale

The property is being offered for sale initially by private treaty. We reserve the right to conclude the sale by any other means as our discretion.

If after viewing the farm you are seriously interested, then please kindly register your interest with Robin Jessop FRICS FAAV, Andrew Dickens BSc (Hons) MRICS FAAV or Mitchell Corney BSc (Hons) MRICS FAAV so that we can keep you informed of how we intend to conclude the sale.

Money Laundering Regulations

Prospective Purchaser(s) should be aware that in the event that they are successful they will be required to provide us with documents in order to comply with Money Laundering Regulations, one being photographic ID that is to say a driving licence or passport and the other being a utility bill showing your current address.

Acreages

The acreages stated in the advertising material are for guidance purposes only. Neither the Vendor nor Robin Jessop Ltd accept any liability for any discrepancies in the stated areas and interested parties should satisfy themselves as to the accuracy of the acreage.

Health & Safety

Prospective Purchaser(s) are asked to be vigilant due to the hazardous nature of a working farm. Please kindly keep all gates shut due to sheep grazing.

Employment

There are no TUPE obligations connected with this sale.

VAT

Any guide price quoted or discussed is exclusive of VAT. In the event that a sale of the property, or any part of it, or any right attached to it, becomes a chargeable supply for the purposes of VAT, such tax will be payable in addition.
