## Property Description

The property is approached via an attractive frontage featuring a large, beautifully manicured lawn which creates an immediate sense of kerb appeal. Adjacent to this is a slate-chipped area providing additional parking options, while a generous hardstanding driveway offers space for approximately four vehicles and leads to a single garage fitted with a manual door. A paved pathway extends from the driveway to the front entrance.

A PVC entrance door with glazed side panel opens into a welcoming hallway, stylishly finished with wood-effect LVT flooring which creates a smart and contemporary first impression. Coved ceilings add subtle character, while a handy storage cupboard provides useful space for everyday household items.

The lounge is a spacious and inviting reception room, continuing the same attractive LVT flooring from the hallway. Enjoying a sunny south-facing aspect, the room is filled with natural light and decorated in neutral tones, creating a bright and relaxing environment. A feature fireplace with timber mantel, stone surround, and hearth provides an attractive focal point, while sliding doors open directly into the conservatory.

The conservatory offers a cosy additional reception area, ideal as a seating room or sun lounge. Finished with tiled flooring, it enjoys views over the rear garden and benefits from a bright south-facing position. Two separate doors provide convenient access out into the garden, further enhancing the indoor-outdoor flow.

The rear garden is a particular highlight of the property, benefitting from a sunny south-facing aspect and a thoughtfully arranged layout ideal for both relaxation and practicality. An initial paved pathway sweeps around either side of the property, leading through to a spacious separate patio area, perfect for outdoor furniture and entertaining. A

generous lawn is neatly maintained and bordered by flower beds and timber fencing, creating a colourful and private outdoor setting. To the rear of the garage is a useful vegetable patch area alongside a concrete base previously utilised for a greenhouse. Timber gates on both sides provide access back to the frontage, while a side door allows entry into the garage.

The kitchen diner is a practical and sociable space, finished with a complementary wood-effect LVT flooring distinct from the hallway and lounge, the kitchen is fitted with a range of wall and base units complemented by tiled splashbacks and wood-effect laminated worktops. Integrated appliances include an electric double oven and grill, four-burner gas hob, and stainless steel one-and-a-half sink with drainer. There is further space for freestanding appliances including a fridge freezer and washing machine. The dining area comfortably accommodates a table and chairs, while patio doors open directly onto the garden, creating a lovely space for everyday dining and entertaining.

The primary bedroom is a generously sized double room overlooking the rear garden, offering a peaceful and private setting. Finished with LVT flooring and coved ceilings, there is ample room for a range of freestanding furniture. The en-suite shower room is fully tiled and fitted with a large shower cubicle, WC, and hand basin.

The second bedroom is another spacious double located to the front of the property, benefitting from fitted wardrobes, dual-aspect windows, LVT flooring, and coved ceilings. There remains additional space for further freestanding furniture if desired.

The third bedroom is also positioned to the front and is another well-proportioned double room, complete with LVT flooring, coved ceilings, and space for bedroom furnishings, making it equally suitable as a guest room, office, or hobby space.

The main bathroom has been stylishly modernised with a contemporary finish, featuring large wall tiles to partially tiled walls and tiled flooring. A spacious bath is fitted with an overhead rainfall shower and separate handheld diverter, while the suite is completed by a large wash basin, WC, matte-finish heated towel rail, and illuminated vanity mirror.

The property also benefits from solar panels, with further information currently pending.
