Property Comprises

Originally constructed by KLF Developments, one of the area's most respected developers, approximately two years ago, this exceptional residence is now offered by its current owner. The home extends to around 2,000 sq ft across three beautifully arranged floors, combining striking contemporary design with an exacting level of finish throughout.

The property also benefits from the remaining balance of the original new-home warranty, subject to its terms and transfer provisions, offering additional reassurance for an incoming purchaser. The lower ground floor forms the natural hub of the home, centred around an outstanding open-plan kitchen, dining and living space. Designed for both family life and entertaining, this expansive room incorporates a stylish fitted kitchen with central island, generous dining area, relaxed living space, feature bar area, utility/pantry and cloakroom. Doors open directly onto the private landscaped courtyard garden, creating a superb indoor-outdoor entertaining environment.

The ground floor provides a welcoming light and bright landing, three further bedrooms and a contemporary family bathroom. The largest of these rooms offers excellent flexibility and could equally serve as a second principal bedroom, media room, family room or home office, depending on requirements.

Occupying the entire upper floor, the principal suite provides a luxurious private retreat, comprising an impressive main bedroom, separate dressing room and a beautifully appointed en-suite bathroom.

Outside, the property also enjoys a second smart and private landscaped garden with another entertaining space, along with off-road parking to the front. A distinctive and beautifully executed modern home, offering exceptional quality, practical family accommodation and a level of finish rarely found in comparable properties.
