The property has been lovingly converted to create a fabulous family home measuring over 6,000 sq. ft with open plan areas, a mezzanine cinema room with glass floor bridge, and an impressive recreation space measuring over 47ft in length and 30ft wide.

Ground Floor

The property is accessed via a large entrance hall with feature stone archway, brushed stainless steel radiator, stone flooring and glazed doors offering a glimpse of the first of the reception rooms. To the left of the hallway is a versatile room that is currently setup as a gym but could easily be a 6th bedroom or home office with its original stained-glass windows with stone mullions.

Leading off the entrance hall is the first of the reception rooms. This bright and spacious area offers high ceilings and lots of natural light from the array of beautiful stained-glass windows making this a lovely space to relax and unwind. The feature in this room is the modern floating glass and brushed stainless steel staircase with oak treads leading up to the first floor of the property. The room also features oak wooden floors and underfloor heating which is also found throughout the property. No expense has been spared with the quality of materials used in the restoration of this beautiful church with oak being used for all the skirting, doors and frames throughout the house.

Accessed off the main hallway are three good sized double bedrooms with fitted wardrobes of which one also features a fully tiled ensuite with shower. The other two bedrooms are serviced by a high-end family bathroom with his and hers sinks, a double jacuzzi bath, walk in shower, two brushed stainless-steel radiators, w/c and a bidet.

At the end of the hallway and accessed via glass and oak double doors is the breathtaking open plan living room and dining area that is ideal for entertaining friends and family. The living room with its oak wooden floors and steel columns has a warm and cosy feel, whereas the dining area located via the impressive stone and brick archway gives a huge sense of grandeur with stunning stained-glass window, original stone baptismal font and tiled flooring. The various split levels in this large open plan area give a purpose for each area with a mix of modern ceilings and double height ceilings showcasing the original hand carved roof.

The modern family high gloss bespoke kitchen is well positioned off the living and dining area and is well stocked with appliances that you would expect from a modern family home. This includes two Bosch ovens, microwave, warming draw, washer dryer and dishwasher. The kitchen also has a large central island with Corian countertops, induction hob with overhead extractor and ample storage space. Accessed off the kitchen is a useful utility room with separate access to the garden.

The first floor of the property also benefits from two further double bedrooms, both featuring built in wardrobes and ensuites with showers.
