THE DEVELOPMENT

LUXURY DUPLEX PENTHOUSES IN ALTOS DE LOS MONTEROS, MARBELLA

This exclusive residential complex in Marbella brings together luxury apartments and duplex penthouses priced from €458,000 to €1,065,000. Located in the upper part of Los Monteros, it offers contemporary-design homes with 2, 3 and 4 bedrooms, with balanced layouts, open-plan living areas and large terraces with incredible sea views.

Altos de los Monteros is one of Marbella's fastest-growing areas: a natural, peaceful and elegant enclave, just 10 minutes from the centre and Marbella's old town and five minutes from the beach, the Río Real golf course and the La Cañada shopping centre. A privileged spot that combines serenity, nature and every convenience at hand.

The homes are fitted with first-class finishes and are characterised by balanced layouts and open, light-filled living spaces. The large terraces, with a privileged orientation, open onto magnificent sea views and become the true heart of every home.

The offering includes both apartments and exclusive duplex penthouses, a layout especially attractive to those seeking space, privacy and generous outdoor areas in which to enjoy the Mediterranean climate all year round.

The project stands out for its excellent leisure and wellness facilities: landscaped areas, outdoor and heated indoor pools, a gym, a pool bar, a spa area and a co-working space.

A set of facilities that seamlessly blends design, functionality and wellbeing in a single natural setting.

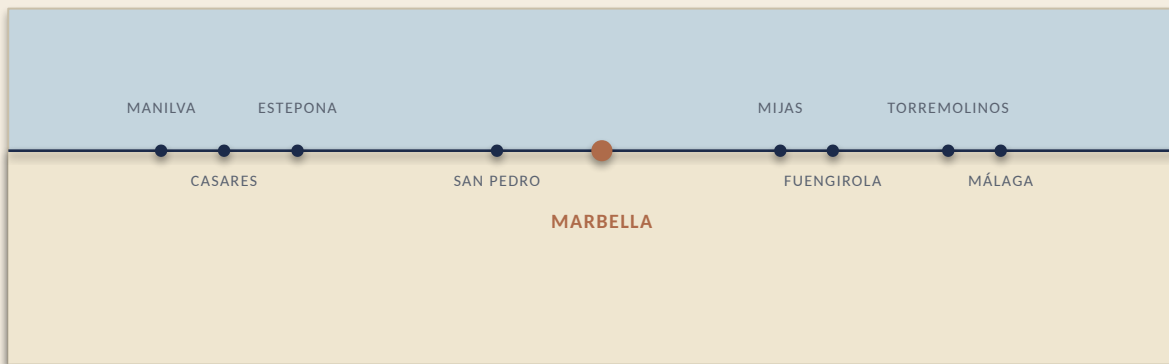

Marbella remains one of the most solid and sought-after destinations in southern Europe, making this development a first-rate investment opportunity. New build, luxury finishes, sea views and a strategic location translate into excellent revaluation potential and rental returns.

At Marevo Real Estate we place at your service personalised, attentive and fully trustworthy advice, with the Swiss precision and local knowledge that define the way we work. Contact us with no obligation and discover this unique, modern and functional development, designed to live Marbella to the full.
