Ideal Investment Property with Strong Potential to Add Value

This end terraced property on Watt Street in Sabden requires full renovation and updating throughout, making it ideal for buyers looking to take on a complete project. The accommodation includes two bedrooms, a bathroom, and a large open-plan kitchen and lounge, offering a flexible layout once improved. There is also a large cellar, providing additional storage or scope for future use. The property is being sold via auction and presents a strong opportunity for investors or developers.

From the Agent's Perspective:

This is very much a full refurbishment project and is best suited to buyers ready to carry out significant works. That said, the property offers a solid base and a layout that could be transformed into a comfortable home. The open plan living space is a key feature, and the inclusion of a bathroom adds to the practicality of the existing layout. The end terrace position gives a slightly more open feel. With the right vision and investment, there is clear potential to add value.

Sabden is a well-regarded village in the Ribble Valley, offering a friendly community feel with a good range of everyday amenities including local shops, pubs, and a primary school. Surrounded by open countryside, it is ideal for those who enjoy walking and outdoor space, with easy access to Pendle Hill and nearby rural routes. The village is also well placed for travel, with convenient links to Clitheroe, Whalley, and Burnley, making it suitable for both commuters and those looking to enjoy a quieter setting while still being connected.
