Woodridge House Dog Lane, Weeford Lichfield WS14 0PP £370,000

A wonderful opportunity to acquire a ground floor garden apartment, owning a share of the freehold, in this imposing former Georgian Rectory, in one of the most idyllic rural positions imaginable. At the heart of this attractive Hamlet within the King Edward's catchment, with the popular School House Restaurant on your doorstep, purchasers would be forgiven for thinking they had been transported to their favourite spot in rural France. Surrounded by some of the most delightful landscapes the area has to offer, this impressive dwelling has been sympathetically converted, blending the inherent historic charm of the building with some more contemporary twists. Extending to over 1,000 square feet with the rare benefit of a south facing walled garden, the well presented and spacious accommodation comprises: Entrance hallway, guest cloakroom, kitchen diner, living room with bay window offering delightful views and an exposed brick and oak inglenook fireplace with flame effect electric fan assisted log burner. Two bedroom suites are then found on the opposite side of the property, both with en suites and the principal bedroom also boasting a double aspect and three separate fitted wardrobes. Externally the property benefits from two allocated parking spaces within the private driveway and is surrounded by manicured communal gardens. The private garden has a southerly aspect and is a real suntrap. Landscaped with low maintenance in mind with patio seating areas, neat borders and a hidden storage area with storage shed. A 'lock up and leave' dream. The real treat must surely be its location and the feeling you must glean from gazing over the surrounding countryside on a warm summer's evening with a glass of wine in hand or exploring it with walking stick in hand.
