Description

A charming three-bedroom Grade II listed character house, ideally situated in the heart of Sissinghurst Village and offered for sale with no onward chain.

Retaining a wealth of period features, this attractive home offers well-proportioned accommodation arranged over two floors, together with a pretty enclosed rear garden and the added benefit of a generous loft room.

On entering the property, the spacious living room immediately sets the tone, featuring a traditional multi-paned window to the front, a large open fireplace and attractive painted timber beams to the walls and ceiling. Characterful painted iron latch doors lead through to the kitchen, an inner hallway and the staircase that rises to the first floor.

To the rear of the house, the fitted kitchen enjoys a pleasant outlook over, and direct access to, the rear garden. The kitchen comprises a range of wall and base units, ceramic sink with mixer tap and with ample space for white goods.

The inner hallway provides useful storage and gives access to the modern family bathroom. This comprises a panelled bath, low-level WC and pedestal wash hand basin with stylish splashback, complemented by an opaque rear window.

To the first floor, the three bedrooms are approached via a carpeted staircase and landing, with traditional iron latch doors adding further period charm. The principal bedroom is particularly characterful, featuring a multi-paned window overlooking the front, a decorative open fireplace and painted timber beams to the walls and ceiling. Bedrooms two and three both enjoy rear-facing multi-paned windows and further exposed character in the form of painted timber beams.

From the first-floor landing, ladder-style steps lead to a large loft room, providing excellent additional storage and potential for a variety of uses, subject to any necessary consents.
