The house is complemented with a detached garage with studio over, parking and gardens.

The room has two pairs of double doors, flanked by large windows,, framing the impressive views, opening to the large balcony/dining terrace. The 25'7" KITCHEN & DINING ROOM offers a highly desirable and modern living space. The kitchen is fitted with a stylish and comprehensive range of illuminated, white units and quartz worktop, focused around a large, central island/breakfast bar, with integrated appliances including; induction hob/extractor hood over, twin, elevated, electric double oven/grill, dishwasher, sink and space for a large 'American style' fridge/freezer. The dining area offers ample space for a 'good sized' table, with panoramic opening to the living room, further oversize, sliding doors open to the sheltered rear courtyard and gardens The UTILITY is cleverly disguised behind large, muralled double doors, offering useful storage and fitted with worktop, inset sink and space/plumbing for white goods, SHOWER ROOM comprises; large shower, basin and WC.
