

The main image shows a two-story brick house with a green lawn in front. The house has a dark grey tiled roof and a mix of brick and white siding. There are several windows, some with white frames and curtains. A wooden door is visible on the ground floor. The lawn is green with some fallen leaves. In the background, other houses and a cloudy sky are visible.

Description

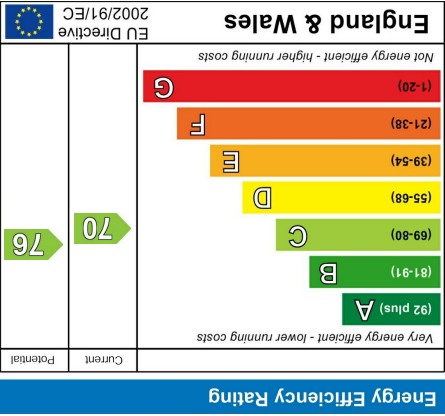

Accommodation

BROADBAND/MOBILE: Please refer to checker www.ofcom.org.uk for broadband and mobile coverage at the property. From data taken on 09/09/2026 we understand that the standard broadband download speed at the property is around 7 Mbps, and the estimated fastest download speed currently achievable for the property post code area is around 1800 Mbps. Actual service availability or speeds received may be different and may vary depending on the time a speed test is carried out. Mobile coverage can vary depending on the network provider and other factors that can affect the local mobile reception and actual services available may be different depending on the particular circumstances, precise location and network outages.
