A RECENTLY DECORATED and updated DETACHED BUNGALOW situated in West Wittering and offered with NO CHAIN.

This detached bungalow is set in a tucked-away, non-estate location in the popular village of West Wittering. Recently decorated throughout, it's ready to move straight into while still offering plenty of scope for a new owner to put their own stamp on it.

The sitting room is positioned at the rear of the bungalow and looks out over the garden, making it a relaxing space to unwind. From here, doors lead into a bright sun room, which gives an extra spot to enjoy the outdoors whatever the weather.

The kitchen has been recently updated and now provides a modern and practical space. It comes fitted with a good range of units and work surfaces, along with integrated appliances including an oven, hob, and dishwasher.

There are two double bedrooms, both comfortable in size, and a family bathroom with bath, overhead shower, wash basin, and WC. The rooms all feel fresh thanks to the recent redecoration, giving the home a clean and welcoming feel.

To the side of the bungalow is a useful lean-to area, which works well as extra storage, ideal for anyone with water sports equipment, bikes, or gardening tools. It also has plumbing and space for white goods, making it a handy space for laundry appliances. With West Wittering beach close by, it's the perfect place to keep boards or kayaks too.

The rear garden is a real highlight. Immediately off the sun room is a smart composite decking area, ideal for outdoor seating or summer dining. The garden itself is a great size, fully enclosed and mainly laid to lawn, offering lots of scope to landscape or redesign. To the far end, a timber decked area provides another spot to sit out and enjoy the sunshine. There is also a hardstanding area with a hot tub, which is included in the sale, giving the garden an added lifestyle feature. Overall, the space is a blank canvas with plenty of room for children, pets, or keen gardeners to enjoy.

At the front, a block-paved driveway provides off-road parking for several vehicles, which is complemented by a garage located to the rear, giving both secure parking and extra storage options.

The home is heated by gas central heating, and a new combination boiler has been fitted, giving peace of mind for years to come. Importantly, a previous planning application (ref: 21/00503/DOM) was permitted for a single-storey rear and side extension (see photos), providing the opportunity for the next owner to enlarge the property if desired.
