A fully renovated three-bedroom detached family home — double garage, generous plot, and nothing left to do but move in - FOR SALE WITH NO CHAIN .

A beautiful three-bedroom detached home that has just completed a full renovation from top to bottom, finished to a standard that means the only thing left for you to do on completion day is unpack.

Every room has been brought up to date with a fresh, modern specification — new boiler, new electrics, new kitchen, new bathroom, new flooring and decoration throughout — so you get the best of both worlds: the space, garden and character of an established detached home, with the finish of a new build.
