The Property

A door leads into the entrance vestibule which has stripped wooden floorboards and a storage cupboard. An archway leads through to the lounge which has a large UPVC double glazed window overlooking the front aspect and also stripped wooden floorboards. A further archway then leads through to the inner hallway with a storage cupboard and doors lead off to the master bedroom, bathroom and the kitchen. The kitchen has a pleasant outlook overlooking the patio and beautiful garden, there are ample storage units with drawers, space for appliances, and this leads into the generous sun conservatory. The master bedroom has French doors leading to the sun conservatory, there is ample space for fitted or free-standing bedroom furniture and a single built in wardrobe. Bedroom two has a large UPVC window overlooking the front garden, again there is ample space for fitted or free-standing bedroom furniture. The bathroom is of a generous size and

currently comprises a white three-piece suite. The sun conservatory offers multiple uses with UPVC windows to the side and rear overlooking the garden and French double-glazed doors leading out to the patio. Outside the front provides off road parking and a gate leads down the side of the bungalow where there is ample space for storage or potential car access leading to the rear garden. There is a patio area and from here there is pathway leading down to the far end with two areas laid to lawn either side, a selection of mature plants, fruit trees, shrubbery throughout. The garden is a particular feature in our opinion and offers a degree of privacy and seclusion. To the rear there is quality timber constructed home garden office with double glazed sliding door, power, heating, wood effect laminate flooring and a separate room to the side which could be opened up to create one space.
