Park estates

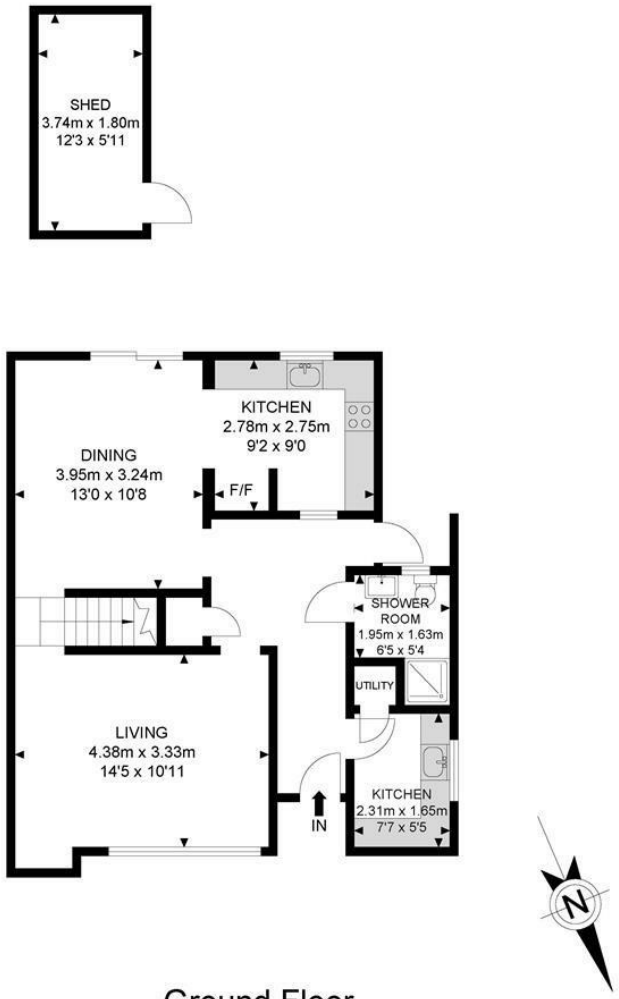

An immaculately presented four bedroom detached house, just a short walk to Bexley Village and two mainline stations. The layout of the ground floor is contemporary open plan living / kitchen / dining, with added bonus of a closed kitchen / utility and a shower room. There is also a generous south facing rear garden with a patio area and large storage shed with a side gate to the front garden. Upstairs there is a family bathroom and four good size bedrooms - three doubles with ample storage and a fourth - ideal for home office space.

The property offers a great deal of floor space and storage compacted into its deceptive front elevation. The current owner has fully renovated the property with great attention to detail and feels that the property would suit someone that enjoys good design and respects the spirit of this wonderful home. Additionally there is built in storage in all rooms with plenty of designer fixtures and fittings. There is also a garage en bloc.

Situated in a beautiful glade just off Camden Road, we understand this property's garden may be one of the largest within the glade with added bonus of a side gate. Located within the pretty village of Bexley, with a great selection of small independent family run stores, quaint pubs and restaurants. There are plenty of green spaces nearby, including Bexley Woods, a nice woodland with a stream running through it, and you are only a short drive away from 'Five Arches' - ideal for a scenic stroll or for walking the dog. There are various schools nearby including Upton Primary, Townley Grammar and BETHS Grammar - all within one mile. The property is within walking distance of two mainline stations - Bexley and Albany Park, with frequent trains into the heart of London (Charing Cross and Cannon Street - 31 minutes away).
