

Connells

St. Christophers Close
Dunstable

Property Description

St Christophers Close is an exclusive and secluded cul-de-sac within East Dunstable, where properties rarely come to market. Ideally located within walking distance of well-regarded schools, local shops and the guided busway with direct access to Luton's train stations and airport, the property also offers excellent road links via the M1 and A5.

The accommodation begins with a bright entrance hall and a convenient downstairs WC. Double French doors lead into an impressive 23ft lounge, filled with natural light and featuring sliding doors onto the garden — perfect for both relaxing and entertaining.

The lounge flows into a modern kitchen with integrated appliances and ample worktop space, alongside a refreshed dining area with direct garden access, ideal for indoor/outdoor living.

Upstairs, the first floor offers a generous principal bedroom with en-suite, three further well-proportioned bedrooms and a contemporary family bathroom. The second floor has been converted to create an additional bedroom suite, complete with a shower room and versatile landing space, ideal as a home office or study.

Externally, there is a well-maintained private

rear garden, a 22ft garage with power and lighting, and driveway parking for up to three vehicles, plus additional side access.

A rare opportunity to acquire a spacious and versatile family home in a highly sought-after location.
