About the property

Upon entry, this home reveals many timeless original features throughout, including decorative cornicing, high ceilings, and character fireplaces. A spacious front reception room has a bay window and restored Victorian parquet flooring.

The heart of the home lies at the rear, thoughtfully designed by the owners for sociable family living. Here, a second sitting area opens onto a modern kitchen and dining space. The bespoke kitchen offers integrated appliances, a central island, and sliding doors to the garden. A practical utility room and cloakroom complete the ground floor.

Upstairs, the first floor hosts four generous bedrooms alongside two newly fitted bath and shower rooms. A versatile fifth bedroom works perfectly as a nursery or home office. Outside, the property enjoys a gorgeous rear garden with a summer house, a useful side passage, and parking space for two cars at the front.
