The recently-built townhouse is set over three floors and also boasts an impressive roof terrace plus an attractive patio area at the front. It has a welcoming and spacious open-plan kitchen, dining, and living area on the ground floor with patio doors to the front. There is a stylish kitchen island which is complemented by sleek, contemporary fitted units.

The bright and airy spaces are carefully designed to flood natural light into the property and combined with super-efficient integrated appliances creates a welcoming yet functional and flexible space. There are four double bedrooms and two modern bathrooms.

High levels of insulation, triple glazed windows and Mechanical Ventilation Heat Recovery (MVHR) are just some of the features which lower the heating demand in winter and keep the property cool during the summer. The house has unparalleled efficiency and makes it easy for occupiers to live sustainably and with a lower carbon footprint.

It's in a central location within the thriving Kelham Island with its excellent range of independent cafes, restaurants, bars and pubs. The property is within easy reach of Sheffield city centre.

Residents have access to attractive public landscaped green space with a variety of trees, flowers, shrubs and a raised decked area.

Available from 19th November subject to acceptable referencing.

A parking space is included.
