Kendal, LA9 6DP

Offers Over £485,000

A large family town house, with six bedrooms, two receptions, large kitchen diner, two bathrooms, detached garage and garden. Ideally suited to larger family or perhaps intergenerational living. The spacious accommodation totals just under 2,000 square feet spanning three floors which makes the interior big enough for the largest of families. The house is set back from the main road, being accessed by a raised promenade road which leads to the front of the property where there is parking for multiple vehicles. With the benefits of double glazing and gas central heating.

Situated on the northern approach to the historic market town of Kendal, the property enjoys an elevated position and has easy access to some of the finest countryside in the North West.

Known as the "Gateway to the Lakes", Kendal offers a vibrant blend of independent retailers, national stores, cafés, restaurants, leisure facilities and cultural attractions. The town centre is within comfortable reach and provides a wide range of amenities including supermarkets, healthcare services, banks, schools and sporting facilities.

The property is particularly well placed for families, with a selection of highly regarded primary and secondary schools nearby, together with parks, recreational spaces and community facilities. Outdoor enthusiasts will appreciate the proximity to scenic walking routes, including the popular Serpentine Woods and surrounding fells, while Kendal Golf Club is located close by.

Excellent transport connections make the area attractive to commuters and those seeking a well-connected base. Kendal railway station provides regular services to Oxenholme and onward connections to the West Coast Main Line, offering direct links to major destinations including Manchester, Birmingham and London. The nearby M6 motorway is easily accessible, providing convenient travel throughout the region. And the Lake District National Park is just a short drive away.
