8 Park Avenue, King's Lynn PE30 5NJ

£230,000

Bedrooms: 3 | **Bathrooms:** 1 | **Receptions:** 2

Set in one of the most sought-after pockets of King's Lynn and West Norfolk, this charming three-bedroom mid-terraced home offers a wonderful opportunity to create something truly special. Perfectly positioned just moments from the beautiful Walks park, everyday life here is effortlessly enjoyable, whether that's a peaceful morning stroll beneath the trees, a relaxed walk into town, or simply soaking up the sense of space and greenery right on your doorstep.

The location is one of the home's greatest strengths. From here, you can wander into the historic town centre in minutes to browse the shops, meet friends for coffee or enjoy an evening meal. For commuters, the nearby train station offers convenient direct links to Cambridge and London King's Cross, while local schools and everyday amenities are all within easy reach, making this an ideal setting for a wide range of buyers.

Step inside and you'll immediately sense the potential that lies within. This is a home that invites imagination, a blank canvas ready for you to shape and style to suit your own tastes and lifestyle. The ground floor features two generously sized reception rooms that are beautifully light-filled and flow naturally into one another, creating a sociable and versatile living space. Whether you envision a cosy lounge paired with an elegant dining room, or a more open, contemporary living arrangement, the possibilities here are plentiful.

The kitchen/breakfast room offers another exciting opportunity to design the heart of the home exactly as you wish. There's ample scope to create a welcoming family space, somewhere children can spread out with homework while dinner simmers on the stove, where quick midweek meals are shared around the table, or where long, lazy weekend breakfasts become a cherished routine.

Practical features add to the home's appeal. A useful pantry provides valuable storage, while the rear lobby and cloakroom bring everyday convenience. At the back of the house, a delightful garden room offers an unexpected bonus, a bright and versatile space where you can enjoy views of the garden throughout the seasons. It could become a peaceful reading nook, a hobby space, or simply somewhere to unwind with a cup of tea while watching the garden change through the year.

Upstairs, the sense of space continues. All three bedrooms are comfortable doubles, offering flexibility for family life, guests or working from home. The main bedroom is particularly impressive, with a generous footprint and an abundance of fitted wardrobe space already in place. Completing the first floor is the shower room, another space full of opportunity to update and personalise to reflect your own style.

Outside, the private rear garden has been designed for ease of maintenance, giving you more time to relax and enjoy it. Picture warm summer evenings spent outside with friends, a quiet morning coffee in the sunshine, or perhaps the chance to introduce some planting to create your own green retreat. The garden also benefits from rear access via a lane behind the property, along with a useful store room, perfect for keeping bicycles, tools and garden equipment neatly tucked away.

Opportunities like this are increasingly rare: a well-located home with generous proportions, character and endless potential, all set in one of the town's most desirable areas. With vision and a little creativity, this could become a truly wonderful home, one that reflects your personality, your lifestyle and your future.
