Floor plan produced in accordance with RICS Property Measurement 2nd Edition. © RICS 2026. Produced for Blue Sky Property Solutions Ltd. REF: 1508458

We have carefully prepared these particulars to provide you with a fair and reliable description of the property. However, these details and anything we've said about the property, are not part of an offer of contract, and we can't guarantee their accuracy. All measurements given are approximate and our floorplans are provided as a general guide to room layout and design. Items shown in photographs are NOT included in the sale unless specifically mentioned, however they may be available by separate negotiation. We haven't tested any of the services, appliances, equipment, fixtures or fittings listed, or asked for warranty or service certificates, so unless stated they are offered on an 'as seen' basis. We recommend you carry out your own independent checks to satisfy yourself as to their working order and condition, prior to exchange of contracts. Please also be aware that if services have been switched off/disconnected/drainage down, reconnection charges may apply. If you wish to express an interest in this property or make a formal offer, you need to come through us for all negotiations. Intending purchasers will be asked to provide proof of their ability to fund the purchase and identification to comply with money laundering regulations and we ask for your co-operation in order to avoid delay in agreeing the sale.

The vendor advised the solar panels are owned.

PLEASE NOTE - Should you decide to make an offer on this property, we'll need to complete some standard Anti-Money Laundering (AML) checks as part of the buying process, in line with HMRC regulations. To make this as straightforward as possible, we work with our trusted compliance partner, Coadjute, who carry out these checks on our behalf. There is a fee for this service, which will be payable if you choose to proceed with your offer.

Energy Efficiency Rating		
	Current	Potential
Very energy efficient - lower running costs
