Located on Tynewydd Road, this beautifully refurbished three-bedroom semi-detached home has been finished to a high standard throughout and offers stylish, contemporary living. Set back from the pavement, the property benefits from a gated front garden, providing both privacy and kerb appeal.

The accommodation begins with a bright and welcoming entrance hall, featuring striking black-and-white Victorian-style tiled flooring. From here, there is access to a useful storage cupboard and a convenient downstairs WC. The front reception room is generously proportioned and filled with natural light from a large bay window. A feature fireplace and gorgeous original parquet flooring create a warm and elegant space, ideal for relaxing or entertaining.

To the rear, the stunning kitchen/diner seamlessly continues the parquet flooring, enhancing the sense of flow throughout the ground floor. The kitchen is fitted with a lovely mix of blue and white units, complemented by white and grey marble-effect worktops. A central island with a fitted oven and hob forms a real focal point, while there is ample space for a dining table. Patio doors allow light to flood the room and provide direct access to the rear garden.

The first floor offers three well-proportioned bedrooms, all finished with grey carpets and light, neutral décor. Completing the accommodation is the modern family bathroom, fitted with marble-effect floor and wall tiles, a bath with an overhead shower, a WC and a wash-hand basin.

Externally, the rear garden is a fantastic size and predominantly flat, featuring a combination of decking and stone areas, making it ideal for outdoor dining and low-maintenance enjoyment. The property also benefits from side access, adding further practicality to this impressive home.
