Atkins Residential are very excited to offer this exceptionally large and spacious, very well looked after 2 bedroom terraced house which is available straight away. This property has recently been very well looked after and is presented to a very high standard and will certainly not be around for long.

The house is located on a quiet road in Carlton (NG4) but just a few moments away from local shops, amenities and transport links. There is ample on street parking outside the front of the property.

The property benefits from a boiler, gas central heating, brand new kitchen, fully decorated throughout, double glazing and many other modern energy efficiency measures.
