Wellingborough, NN29 7QS

Simpson & Weekley

This executive five-bedroom detached residence in the sought-after village of Wollaston blends striking architectural design with sustainable luxury. Completed at the end of 2025 by local builders Tophaven Homes, this eco-efficient home boasts an impressive amount of space with extra-high internal ceilings, hidden skirting board radiators, and underfloor heating to maximize wall space.

The ground floor opens into a dramatic, full-height entrance hall with a glass-balustrade staircase, leading to a cozy separate living room and a massive open-plan kitchen/dining/family room. The premium kitchen features quartz worktops, integrated appliances, a breakfast bar, and French doors to the garden. Practical features include a utility room, a solar control room, and a dedicated boot room with a wet-room dog shower. A flexible fifth double bedroom doubles as a large office, served by a Jack 'n' Jill en-suite.

Upstairs, a light-flooded landing leads to four double bedrooms, each with its own double-shower en-suite. The primary suite offers a true retreat with a walk-through dressing room and a four-piece en-suite featuring a free-standing bath. Externally, the property provides a multi-car driveway with an EV charger, an oversized 6.5m x 6.5m double garage, and an enclosed lawned rear garden with a paved patio, all within walking distance of village shops, pubs, and the local senior school
