Occupying a prime position, this exceptional home has been transformed through a comprehensive back-to-brick renovation and impressive two-storey extension, showcasing a sympathetic contemporary design, outstanding open-plan living, luxurious finishes and a generous private garden.

Expertly extended and remodelled, the property seamlessly blends contemporary design with the enduring character of this handsome pre-war semi-detached home, complemented by high-quality fixtures and fittings throughout. The renovation has been completed to an exceptional standard, including complete rewiring and replumbing, the installation of a brand-new central heating system, full replastering, new internal joinery, replacement double-glazed windows and doors, new flooring throughout, larch cladding to the extension, a newly laid driveway, timber decking and a reseeded lawn.

A recessed arched storm porch with a traditional quarry tiled floor provides an attractive entrance to the property. A newly installed composite entrance door opens into a bright and welcoming reception hall, featuring herringbone wood-effect flooring, decorative wall panelling and a striking glass balustrade staircase rising to the first floor. Doors lead to the principal ground floor accommodation.

The elegant living room enjoys a large bay window overlooking the front elevation, a neutral fitted carpet and an attractive feature fireplace. To the rear, the impressive extended open-plan living, dining and kitchen area creates a spectacular family space, perfectly designed for both everyday living and entertaining. Bi-fold doors open onto the rear garden, creating a seamless connection between the indoor and outdoor spaces. Herringbone wood-effect flooring flows throughout, with clearly defined seating and dining areas leading into the beautifully appointed contemporary kitchen.

The kitchen has been fitted with a stylish range of sleek handleless cabinetry, under-cabinet lighting and compact laminate work surfaces incorporating a one-and-a-half bowl inset sink with mixer tap. A central island provides additional preparation space and a breakfast bar, finished with a contrasting wood-effect panel and wraparound worktop incorporating an induction hob with an integrated downdraft extractor. A comprehensive range of integrated appliances includes a fridge, freezer, dishwasher and eye-level oven.

The adjoining utility room is fitted with matching base and wall units with contrasting work surface and provides space and plumbing for an automatic washing machine.

To the first floor, the landing, finished with neutral carpeting, provides access to four well-proportioned bedrooms and the beautifully appointed family bathroom. The luxurious bathroom has been fitted with a contemporary suite comprising a low-level WC, wall-mounted vanity wash basin with storage beneath, an illuminated LED mirror and full-height feature tiling. The P-shaped bath incorporates a rainfall shower with glazed screen, complemented by wood-effect porcelain tiling, a recessed display niche and subtle feature lighting.

The principal bedroom is positioned to the rear of the property and enjoys a stunning Juliet balcony overlooking the garden, together with neutral carpeting and a stylish en-suite shower room comprising a corner shower enclosure, wall-mounted wash basin and low-level WC.

There are three further generously proportioned bedrooms, all finished with neutral carpeting, two of which retain attractive period fireplaces that add character and charm.

Externally, the front of the property has been newly tarmaced to provide ample off-road parking, extending along the side of the house to the garage. Gated side access leads to the generous, fully enclosed rear garden, which enjoys a high degree of privacy, backing onto mature trees. The garden has been predominantly laid to a newly established lawn and is complemented by an attractive decked seating terrace adjoining the rear of the house, providing an ideal space for outdoor dining and entertaining.
