Summary

Occupying a prestigious frontline position on Shore Road, Sandbanks, Harbour Lights presents a rare opportunity to acquire a substantial coastal home with breathtaking panoramic views across Poole Harbour. Cherished by the same family for over 30 years, this beautifully maintained residence sits within mature landscaped grounds, approached through impressive electric gates with a generous driveway and a 7 metre double garage. The rear garden is, in our opinion, one of the best in this particular locale.

Designed to maximise its spectacular outlook, the elevated first-floor accommodation includes spacious living and dining rooms, a kitchen with utility, study and generous principal bedroom suite. The living room opens onto an impressive private sun terrace, perfectly positioned for enjoying the uninterrupted harbour views. The second floor offers three further double bedrooms, two bathrooms and a dedicated office, while the private rear garden features a versatile workshop with shower facilities.

Offering exceptional potential to modernise or extend (subject to planning and necessary consents), Harbour Lights represents a truly special opportunity in one of the UK's most sought-after coastal locations.
