Simply Stunning! Prepare to be wowed by this amazing, extended, and beautifully presented family home! This property really does need to be viewed to be fully appreciated, it has been largely extended creating a big, open plan kitchen/diner that really does knock you back. The addition of the utility room, extra bedroom and bathroom have transformed this once standard three bed semi into a striking and spacious property that you really could fall in love with. Don't just take my word for it, call me to book your viewing on 07496 276270
