All-round excellence, all round Wetherby since 1950

Property Description

A charming three-storey cottage offering spacious and versatile accommodation, quietly positioned within this popular and historic village enjoying a delightful outlook over St Edward's Catholic Church. With original features, generous proportions and scope for personalisation, the property presents an exciting opportunity and in further detail giving comprises:-

The ground floor opens into a spacious dining room, where a gas fire with exposed brick surround creates a welcoming focal point. An original sliding sash bay window to the front adds character, complemented by exposed ceiling timbers and radiator. A pine internal door leads through to the kitchen, fitted with a range of base units, laminate worktops, integrated fridge and freezer, oven and grill, gas hob and tiled flooring. A rear door provides access to a shared passageway, ideal for bin storage. Beneath the stairs, a useful utility cupboard offers plumbing for white goods and further storage.

To the first floor, a generous living room enjoys a front-facing aspect with views towards the church. This could easily be used as a bedroom. A living flame gas fire (currently not in use) sits beneath recessed shelving, with wall lights and radiators completing the space. The house bathroom is a particular feature, fitted in recent years with a high-end white suite including a large corner bath with detachable shower handpiece, low-flush WC, wash basin and separate shower cubicle. Stylish tiled floor and wall coverings add a contemporary finish.

A return staircase leads to the second floor, where two good-sized double bedrooms await. The principal bedroom sits to the front of the property, with fitted furniture to two sides and exposed ceiling timbers adding charm. Bedroom two also benefits from fitted furniture and exposed beams, offering comfortable proportions and natural light.

While the accommodation would now benefit from general updating and modernisation, it offers excellent potential to tailor to personal taste. With on-street parking available and no onward chain, this property represents a rare opportunity in a desirable location.
