RYMER STREET

A beautifully presented Victorian family home extending to approximately 1,361 sq ft, ideally positioned on the sought-after Rymer Street in the heart of Herne Hill. Arranged over three floors, the property offers well-balanced accommodation, combining attractive period character with stylish contemporary living. The property also benefits from planning permission for a ground floor rear extension, providing an excellent opportunity to further enhance the accommodation, subject to the approved plans. The ground floor is particularly impressive, centred around a generous double reception room featuring a handsome bay window, high ceilings, herringbone wood flooring and an elegant fireplace. An archway leads through to a dedicated dining room, creating an ideal arrangement for both everyday family life and entertaining. To the rear, the kitchen is thoughtfully arranged with direct access to a private paved courtyard garden, while a guest WC completes the ground floor accommodation.

LIGHT-FILLED ACCOMMODATION

Bedroom accommodation is arranged across the upper floors. The first floor is home to an exceptionally spacious principal bedroom spanning the width of the house, together with a beautifully appointed family bathroom featuring a freestanding bath and separate shower. The second floor comprises two further well-proportioned double bedrooms, providing excellent flexibility for growing families, guest accommodation or home working.

The property has been exceptionally well maintained throughout and enjoys an abundance of natural light, with a tasteful decorative finish that complements the home's period proportions and original charm.
